Work Health & Safety Policy Statement

OUR COMMITMENT

Cube Architects is committed to taking all responsible measures necessary to eliminate hazards, reduce risks, and prevent incidents, injuries and illness to workers and other persons who may be affected due to its products, services and workplace activities. The Management of Cube Architects considers that the health and safety of the workers and customers is of primary importance and is ranked equally with all other activities of the Practice.

OUR AIMS

Cube Architects aims to provide a healthy and safe workplace and will comply with all Work Health and Safety legal and other requirements to provide the following:

- A safe and healthy working environment for all its workers (including employees, contractors, subcontractors, customers, and visitors).
- Safe systems of work, maintenance of equipment in a safe condition.
- The necessary information, instruction, training and supervision to make sure that each worker is safe from injury and risks to health.
- Effective ways of consulting and participating with the workforce and their representatives on all health and safety issues.
- Effective ways of reporting, recording, and investigating all injuries, work-related illness and 'near misses' in the workplace.
- Effective rehabilitation measures for workers who suffer work-related injuries and illness.
- A regular review of its work health and safety management systems and procedures to strive for ongoing improvement in health and safety performance.
- Provision of adequate personal protective equipment and appropriate medical, health and first aid service.

OUR RESPONSIBILITIES

All workers and other personnel whilst executing work related activities under the control of Cube Architects shall cooperate, in the proper execution of this policy at all times and ensure that their own work conforms, wherever practical and that the work is carried out without risk to themselves or others.

The Work Health & Safety Policy Statement is to be prominently displayed at the Organisation's premises and also brought to the attention of each worker and wherever necessary to customers and visitors.
